Organized under USA Cycling rules as a Gran Fondo with timed finishes. Each group has a minimum requirement of 30 participants at the close of standard online registration on Thursday, March 17 or it may be canceled at the promoter's discretion.

NO DAY-OF-EVENT REGISTRATION. PRE-REGISTRATION ONLY.
Standard online **registration closes Thursday, March 17 at 11:00 PM**. Late online registration closes Thursday, March 24 at 11:00 PM and there is an additional **$5 late fee**, which will be **added** to your registration invoice **at checkout**. Sign-in opens at 8:15 AM and closes 15 minutes prior to the start. All cyclists must present a valid license and sign an event release form (minors must have a parent/guardian sign). Your timely entry is important to making this event successful for all concerned. If you must cancel, our **policy on refunds** for truly legitimate needs (wife just went into labor, crashed last week, got the flu) is to provide you with a credit for an entry to another upcoming event (ours) or give you a cash refund, less online transaction charges; however, either still remains subject to our discretion.
