FREE POST-RACE SHOWERS AVAILABLE AT THE FITNESS CENTER

Course Description:

This is a 1.3 km loop that travels clockwise. There is a slight incline just past the start/finish line and a fast chicane on the front half of the course. This venue consists of six turns and runs past a very scenic lake. However, we doubt there will time for taking in the view during the race. There is plenty of parking and you can leave you trainers at home.
