

PRESENT BY FAT TIRE CYCLE

Tour of Tucker County Road Race May 29, 2010 Thomas, WV

Held Under USAC Permit (pending)

Course: View a copy of the Course Map

Mountain Top Finish! Returning race course for 2010 in the heart of the Mon National Forest! Leave your expensive Flux-Capacitors and fancy wheels at home cause it's WV and we got pot holes, but do not forget your climbing legs, and yes, they can have hair on them too. We don't judge!

Be prepared to climb with this course. Cat 1/2/3 will see three large climbs over 7 miles long. All other class will face two large climbs of 7 miles in length as well. This course also takes you along the Cheat River for several miles over wonderful view of the mountain state. The course will features a mountain top finish at Sugarland's. This climb has one of the largest grades in the entire county. The start of this race will happen at the large windmills at the top of Sugarland, but for safety reason it will be a controlled roll to the bottom. This will give riders who didn't get a chance to pre-ride the course a good view of the finishing climb. Once at the bottom of the mountain the race is on. The Cat 4/5 rider will do one loop of the course "view course map". The 1/2/3's will have to do the climb at location two times before returning to the Sugarland's road.

Registration:

on Bikereg.com for only **\$20**. Race day registration will be **\$30** and will open at 9:00AM. USAC Annual License required for all riders except Men's Cat-5 and Woman's Cat-4. Annual License can be purchased on the day of the race. One-day Licenses can be purchased at the event (by Cat-5 Men and Cat-4 Woman) for \$10.
