45+ Masters	20 miles	4:05 PM	\$25	\$250-in cash, medals & prizes

PARKING UPDATE - ALL RACE Parking is in a new location on the outside of the course this year. No parking in the lots you may have grown accustomed to as we've worked with the township to make this race safer and an institution for Lower Providence as they've given us a permanent parking opportunity. Let's not made the businesses in this part resent us by parking in their lots.

Race parking is in a parking lot on the corner of Van Buren Ave and Adams Ave (aka turn #4).

There are two lots to choose from. The best way is to turn from Audubon Road onto Adams Ave. This will bring into the office park. Proceed to what is turn #4 of the race course. On your left is race parking.

Also if you are coming in off of Rittenhouse Road, you could turn onto Van Buren Ave and parking will be on your left at the second driveway. Registration will be near start finish and in this lot to keep things compact/easy. As well, registration will be in this lot to keep things compact/easy.

Please listen to the marshalls when they direct you to the parking location

As always, this is a PCA / BAR race (www.pacycling.org)

Many thanks to our four sponsors of the event:

- 1) Pabst Blue Ribbon (www.pabstblueribbon.com)
- 2) Pennsylvania's Women Racing Series (pawomensracing.blogspot.com)
- 3) Lower Providence Township (<http://www.lowerprovidence.org/>)

Without supporters of this support we'd not have great events to gather and compete at. Please make your support of these sponsors known by going to their websites or storefronts and letting them know you recognize them as a stand-up company who supports what you like to do. That in itself will provide them with the ROI to continuing to help support cycling events in the Mid-Atlantic.

Couple things to note:

- 1) This is one of the top three highest attended criteriums in Pennsylvania - (last year had 400+ racers!!!)
- 2) This is the longest running criterium in the state
- 3) All races are designed to be USCF upgrade worthy (As all races SHOULD be)!

Women's events - PA Women's Series: a season-long points competition open to all women racers of all ages. Racers do not have to live in PA to participate in the Series. The Women's PA BAR series is open to PA resident riders only. For more information, go to pawomensracing.blogspot.com.

The older Junior categories are Junior Pro Cycling Tour qualifiers. Go to <http://www.procyclingtour.com/philadelphia.junior.cfm> for more specifics on these national junior series.

Fine Print/Details:

- \$5 Late Fee in effect as of 4/12 11:45PM EST (register by Fri night. we don't want your extra \$5, but we do want to know how the registration is going to play out. Quoting Jerry Maquire, "Help ME, Help You.")
- Payout is 1/2 amount listed if <25 racers in event (exceptions-women, juniors)
- Race is run rain or shine
- Promoter reserves the right to shorten, combine or alter events as needed due to weather, timing and other uncontrollable circumstances (crash delays, injuries, needs of Police, EMTs, Acts of God).
- Course: 1 Mile, Clockwise, Mostly Flat, 4-corner crit with Free Laps/wheel pit.
- Registration opens at 7:15 am.
- No aero bars. Approved helmets must be worn
- All USCF rules apply.
- Entry fee includes insurance surcharge of \$2 for USCF & \$5 for Citizens.
- Promoter reserves the right to combine or cancel races if less than 12 racers register for an event
- Masters races for Cats 1-4 only.

Directions: Go to www.mapquest.com and type in directions from your location to the corner of Van Buren Ave & Adams Ave., Norristown, PA 19403
