2	Time Trial	Women	500 Meters
3	Time Trial	Men	1000 Meters
4	Pursuit	Women	3000 Meters
5	Pursuit	Men	4000 Meters

Description of Races:

Races will be run according to the rules chapter 2 of the USA Cycling Rule book.

Team Pursuit:

Men's teams start with 4 or 3 riders while women's teams start with 3 or 2 riders. It is a team time trial over the set distance with the time coming on the 3rd rider to cross the line for Men and 2nd rider across the line for women.

Flying 200:

A time trial over 200 meters from a flying start. This acts as seeding for the sprints

Matched Sprints:

The top 12 Men and Women will qualify for the sprint tournament. Each sprint will consist of 2 laps. All rounds are 1 ride with the exception of the finals, which is best of 3. The winners of round 1 advance to the quarter finals while the losers go 3 rider repechage round with the winner also getting a spot in the quarter finals. Winner of the quarters go to semis, losers go to the 4 up 5-8 final. All men will racer together with As and Bs being scored separately. Riders not making the tournament will be scored based on 200 Time.

Points Race / Madison:

The notation XxY means that there will be X total sprints and sprints will be every Y laps. Points will be awarded 5-3-2-1 for 1st-2nd-3rd-4th respectively. A rider lapping the field will be awarded 20 points. Riders loosing a lap will loose 20 points. Madison is a points race of 2 member teams with only one person racing at a time. Officials can not allow a team to race if they feel like a team will be a danger to the race.

Scratch Race:

A race of a set distance with the first rider across the line that completes the full distance wins

The Crawl:

A one-lap race where riders are not allowed to cross the start/finish line until the bell is rung by the official. The bell will be rung somewhere between 1-3 minutes after the start of the race. Once the race is started, riders are not allowed to put a foot down, hold on to anything, ride off the track, and can not move backwards.

Miss and Out (Elimination, Devil take the Hindmost):

A miss-and-out is a massed start race in which the last rider over the line is eliminated from the race. Gaining a lap shall not prevent a rider from being pulled nor matter in the final placing. Once down to the last three riders, there will be a non-pulling lap then bell lap.

Coed Team Sprint:

A 4-member team sprint with at least one of the members being a woman. Each rider leads for one lap and then pulls off in the designated exchange zone.

Time Trial/Pursuit:

A race against the clock held over a set distance from a standing start.

*The events are open to all racers and do not count towards the omnium standings

Alumni are invited to do the Time Trials and the * events

USAC Permit applied for and pending

Promoter reserves right to combine fields.
