The Time Trial will start categories and classes in the same order as the XC (with the exception that Juniors and Cat 3 will start after all Cat 1 and 2 categories). Time Trials is a short race where each racer starts one at a time at one minute intervals. You race as fast as you can. The idea is to ride fast while at the same time not being overtaken by the racer one minute behind you. These short races are a blast and are easy on the muscles so you can still race hard for the long race Sunday.

<u>Directions:</u> On I-40. Take Exit 16 – Sycamore View north. When you enter Bartlett the road becomes Bartlett Blvd, continue past Stage Road and past the soccer fields on the right. At Yale Road turn left. Stanky Creek (Nesbit Park) will be after the next traffic light. The parking lot will be on Yale Road on the right. Park in the lot and go to the east end. Walk/Ride down the path to the Registration area in the field below.

<u>Registration</u> Saturday June 15 from 1 pm till 5 pm. Sunday from 6 am. Registration for each category will close 30 min prior to race start, please be there at least sixty minutes before your race time to register. All Riders must sign a USA Cycling Waiver, and only CAT 2 and CAT 3 can race on a one-day license. Cat 1 and Pro riders must possess an annual license.
