Go-Ride.com, Park's Sportsman, Sundance **Resort and Salamander Promotions invite** you to compete in the first race of the 2013 Utah Gravity Series!

THE SUNDANCE SHOWDOWN **Saturday Super Descent Time Trial** Monday (Memorial Day) Downhill Race

SATURDAY, MAY 25, SUPER D RACE

That tradition will continue this spring on a track very similar to last year's which featured lots of smokin' fast turns on buffed single track plus plenty of rough spots, but not a lot of uphill. Late afternoon start allows for plenty of practice time. This skill testing time trial will start each racer individually at 1-minute intervals.

SUPER D START TIMES

Saturday Super D Race begins at 5:30 p.m. with Pro and Cat 1 classes on course first. The race starts at Ray's Lift summit. Please be at the Start Gate early. If you miss your posted start time, you may not get a timed run. Just make sure you're on time for your start. Individual start times for the Super D will be posted at 4 p.m. on Saturday at the Ray's Lift base.

Monday, May 27, Downhill Race

Downhill racing returns to Sundance. Competition takes place on a rippin' course that's been really well received the few years. The 1.6 mile long track offers everything from steep, technical singletrack to scary-fast fire road and about everything in between. It's challenging and really fun. The race will start at the Ray's Lift summit.

DOWNHILL START TIMES

Monday Downhill Race at 10:30 a.m. with Cat 2 and 3 on course first. Pros and Cat 1 will start shortly after the completion of the Cat 3. The race will be a 2-run format (your best run counts and you're only required to take one run). Please be at the Start Gate early. If you miss your start time, you won't get a timed run. Just make sure you're on time for each start. You should be loading on Ray's lift no later than 40 minutes prior to your posted start time. Individual start times for the Downhill Race will be set and posted at 8:30 a.m. on Monday at the base of Ray's Lift.

PRACTICE/LIFT INFO

Both the Super D and Downhill courses will be pre-marked on Friday May 24th. Super D will be ready for practice Friday afternoon and Downhill practice opens Saturday morning. Lift fees for practice AND/OR race day are NOT included in your race entry fee. You must purchase a lift pass for each day you plan on riding the lift. Lift rates are \$20 per day. A "Race Weekend Special" rate, for both Sunday and Monday of \$32 (or Saturday, Sunday, Monday for \$42) will be available to registered racers.

PARKING INFORMATION

Parking at the base area of Sundance is limited. Base area parking will be available on a first-come-first-served basis. Plenty of parking is open at the elbow parking lot but it's accessed from the base area by shuttle.

SPECTATOR INFORMATION

Sundance scenery is World class and spectators are encouraged to come to Sundance Resort and enjoy the racing. There'll be plenty of room on the lawn near the finish line, providing a great spectator venue. Chair lift passes are available to the Public for purchase so bring your bike along and do some fun riding while you're there. Sundance requires all dogs to be leashed.

AWARDS

Beginning in 1999, Sundance has hosted a ton of Super D races. The Super D Award Ceremony is scheduled for Saturday a.s.a.p. after the completion of the race and will take place at the finish area. The Downhill Award Ceremony takes place a.s.a.p. after racing on Monday, on the lawn near the base of Ray's chair lift. Medals will be presented to the top 3 finishers in each Cat/Class (cash purse for Pro Class). Each day's racers all have a chance to win great prizes via raffles during each Award Ceremony.
