Important!! RSVP or Else!!!

You need to RSVP by either joining the event on Facebook, or emailing me directly. If we do not have 15 riders by 9 PM on 1-3-12 the race will be canceled. If you RSVP and then don't show, I am going to expect a note from your mom/spouse/doctor etc. :)

Prizes:

The series overall will have some (smallish) prizes for the Open top 12 overall, the first three women, the first Junior who races Open, and the first cat 4 who races Open. If we have enough swag, we may have a few prizes for individual races as well. For the last three of the series we will run all the adult racers together. Points will go to the first 5 in Women and the first 12 overall. There will be no "dropped races."

Directions:

Take I-40 east from Albuquerque to the Tijeras exit, the road will "Y" right off the exit. Go right. (Left takes you to Sandia Peak) The road will curve to the right and come to a stoplight. There will be a Subway across the street on your right. Go straight on through the light and up NM337 for about 8 miles. Park on the right (west) side of the road. Course will start on the east side of the road.

Course:

Course will be a largish loop through the pine and oak forest, partly singletrack, partly dirt roads, partly pavement, with several runups, some longish. It is a very pretty area, and less rocky than lower Cedro, which makes it better for cross bikes. Snow is likely, should be good practice for those going to nationals. We will run these rain or shine, but promoter reserves the right to cancel or change courses in the event of severe inclement weather or other issues. Depending on snow levels we may use Roosevelt or the bosque course at Central on the west side of the river. CHECK WEBSITE IN CASE OF CHANGES!!! bcd racing.com/tnmtb2012.html
