Also, to include this race in your USAC-MTB ranking, an annual license must be purchased prior to race day. Take advantage of this elevated level race and pre-purchase a license at www.usacycling.org.

The race director reserves the right to combine classes (classes with less than five riders may be incorporated into other classes). HELMETS REQUIRED.

Prizes:

1 Lap Races: Cat 3 (Base) Classes earn trophies.

2 Lap Races: Cat 2 (Sport) Classes, Single Speed, and Cat 1-2 50+ will be awarded merchandise. We often have enough merchandise to go deeper than advertised, so be sure to check on this after the race.

3 Lap Races: Cat 1 (Expert) and Pro Classes earn cash, see [Cash Payout Sheet](#).

Kids'Race: To comply with insurance, placements will not be awarded. Participation gifts will be given.

The Course:

Chickasaw Trace is a 300 acre park operated by the Maury County Parks and Recreation Dept. and located on the banks of the Duck River and Knob Creek in Columbia, TN. This cross-country race is one, two or three laps on a 9-mile course consisting of single track (90%) and some open fields. The start is in the grass next to the cabin and goes 250 yards before entering the trail next to the Convenience Center. [New Course Map](#) [MapQuest Map](#)
