

Jamestown Spring Criterium Series Powered By A&B Cycle

Held Under USA Cycling Event Permit: 2015-1508

Sponsoring Club-Ozark Cycling Club

This will be a great event to try your hand at criterium racing or hone in on your skillz! This is a closed course event that includes 8 turns 2 of them sweeping. One day licenses will be available for \$10.00. Registration the day of events only. Registration will open at 11:00am and close 15min before the start of each race. If you would like to enter both races the entry fee will be 25.00. However, the minimum category to race the A race is Cat 4.

Racing guidelines: The A race will be a good option for more seasoned riders who have done many crits and just want some good training. It will consist of usually Cat 4 riders all the way up to Cat 1 riders. So please keep in mind it will be a much faster, more intense training race with experienced riders.

The B race would be a great choice for Cat 5, 4, and also those purchasing a one day license. The race is not nearly as long and will consist of riders who have never done a crit to riders that have done a season or 2 of racing.

Remember these are training races there will be no prizes paid out. Races are held for fitness and to gain experience racing crits. You will get bragging rights.....if you're into that.

A USA Cycling license annual or 1-day is required for all racers.
