

Lakes Area omnium

A 4 Stage, Time Based Omnium

\$9,600 Cash Prizes and Merchandise

Friday, August 7th - Sunday, August 9th

-USAC Permit 2015-2173-

The Lakes Area Omnium will be a professionally run event that will surely challenge your fitness and skill. The event will feature four unique stages, including a hill time trial, 7-corner criterium, 6 mile time trial, and circuit race. The event will also be unique in that riders will be placed on time differential instead of the traditional omnium points system. This presents a new tactical challenge for individual riders and teams entering the race.

-Online registration can be found on USAC website. Registration closes at midnight on 8/3/2015.-

Please note that in order to compete in the omnium overall, you must participate in all 4 events. Pre-registration is highly encouraged to ensure you entry into the race.

Stage 1: PAINCAVE Time Trial (Friday, August 7th - 6p Start)

-\$600 Cash Prizes and Merchandise-

This 1 mile time trial up the challenging Lapham Peak may seem short and sweet, but it will surely test your legs. Between the short distance and gradients reaching 14%, this will surely be a test of power and determination.

-Note: Day-of Omnium registrants will be last to start in the TT order-
