New Jersey 'Cross Cup Finals

Join Team Bulldog and Skylands Cycling for their 13th year of cyclocross promotion! Once again the race up at the Sussex County Fair Grounds will be part of the NJ CX Cup, and we'll be serving as the **FINALS**

again for this year.

The event is open to residents of any state, country, or planet provided you have proper licensing.

Parking is easy and plentiful. Bathrooms are heated and clean!

Payout for Men A and Women A will be based on the number of entries, with a minimum of 5 deep for both the ladies and the gentlemen. **EQUAL PAYOUT!**

This race is part of the New Jersey Cross Cup Series.

A USA Cycling License is required, and one day licenses are available for an additional \$15 on site or when you register here. If you need a one day, save yourself time and help make our job easier by buying it as you pre-reg.

C

course: Similar to the past, but you can be sure we'll mix it up. The length will be 3ish km with a 200ish meter asphalt start, double pit at halfway point, 71.21% grass, 5.93% asphalt, 13.41% dirt, 9.18% gravel/hardpack. One set of double barriers, one run up. Or maybe two sets of barriers, and two run ups. Or no run ups. Come up to Augusta and check it out! 63.9% flat, but some nice ups and downs to keep it interesting. All percentages are approximate and may change without notice, and yes, they still don't add up to 100%.

BYOS...bring your own spectators to this very spectator friendly event. And bring your favorite noisemakers. We'll be looking for BK and his trusty rusty trombone again for '15. That never gets old.

Warming Up on the course while racing is in progress is **not** permitted. The course is open for pre-riding before the first race and between races on race day. We've allowed for plenty of time in the schedule, so please respect this rule and the other riders on the course or risk disqualification and public humiliation.

Mountain bikes without bar ends are always welcome.

Pre registration is strongly encouraged. \$10.00 late fee for race day registration. Pre register on Bikereg.com. Registration opens 8:00 a.m. Second race entry is \$20.00. USA Cycling license required. One day license \$15.00.

Please respect the fairgrounds and allow us to continue to hold races up there. Don't bring your muddy cleats, gear, clothes, etc. into the bathrooms.

For more information visit our websites (www.teambulldog.com or www.skylandscycling.com) or contact Brian at brian@teambulldog.com
