Prizes: The top 3 point totals in each category at the end of the series win medals. Points awarded each night from "bottom up" with an extra point for 1st place. For example, in a category with 3 riders the first place rider will receive 4 points, 2nd will receive 2 points, and 3rd will receive 1 point.

Registration and Fees: \$20 for the first race (\$10 for your series Bib # + \$10 for the race), then \$10 per race after that. Fee includes all insurance and surcharges. Want to race a 2nd TT? Additional same-day races are \$5. Rider bib numbers remain the same for the entire series. There will be a \$5 charge to replace lost bib numbers.

What else: Merckx and fixed/single speed categories must comply with USACycling rules for standard mass start road bicycles. **Merckx class:** It's an honor-system thing. Be honest with yourself and race WNTT like Eddy would. All participants must wear USACycling approved helmets. The course will be open to traffic and riders must stay to the right. A valid USACycling license must be presented. USACycling annual or 1-day license will be available on site. A current year USACycling Rider Waiver and Release form must be signed by the participant and, if under 18, by the parent or legal guardian.

Directions to Start and Course Description: Maps to the race venue and the course map available at STLTT.com

Final series date event: The last event in the series will be our usual TT event; but it will be primarily our awards ceremony and celebration. Points for the final night do not count toward the series final.
