

John Brown Time Trial Series

Growin the Sport while Racin 4 Peanuts – Third Thursday's 5/18, 6/15, 7/20, 8/17, & 9/21

INFO: The John Brown Time Trial Series – Where growin the sport and racin 4 peanuts collide. The John Brown

Time Trial Emporium has something for everyone. If you need us to invent a category we will just for you. Getting on your bike, going fast and making friends is what grows the sport. Don't be fooled, the best athletes in the Midwest will grace this race with their best carbon aero tuck and retro fixie with wool jersey.

This is your chance to finally see if your TT bike is that much faster than your road bike. Or race a solo race and then do a "duo" with your friend. Try the coed "duo" too! Do you feel better your second race? Then you need a harder warm up for future events.

COURSE: The fastest and flattest 5-mile course in Kansas! This predominately West to East course follows the Kansas river bottoms road Northwest of DeSoto. See if you can join the "9-minute club!" for men or "10-minute club!" for women.

REGISTRATION: Registration is after 5:30pm and work with us since we are all hustling here after our day jobs. Race starts after 6:30pm Race entry is \$20 and you get to race two 5 mile TT's. During the longer summer months, a 3rd race may be possible if you are a sicko! There are no bathrooms so take care of biz on the way in.

NOTES: Race intervals will be 30 to 60 seconds and will be determined by number of racers signed up. After the first wave goes we'll take a 5 to 10-minute break and let you change gear and bikes to race your second time trial of the evening. You don't have to race twice, but there is no charge. During the height of the summer we may allow a limited number of riders to race three 5 mile TT's.
