The Century Road Club Association in partnership with the Fort Lee Education Foundation is pleased to present the CRCA Fort Lee Crit. This race was last held in 2015 by the name of the Tour of Fort Lee, and the course will remain unchanged.

The field structure allows for ample opportunities for both men and women to race.

Race a 2nd time for \$15 if you reg before July. \$20 if you reg in July. Must reg for both races at the same time to get the discount.

The Citizens Race is for non-USAC licensed racers.

Food vendors will be on site, so bring the family and stay after your race to spectate.

Please visit CRCA.net for more information on this and other upcoming races.
