Rules & Scoring

All USA Cycling rules apply. USAC approved helmets must be used at all times. This is a training race! We'll score top 3. We'll tinker with categories times, etc. to improve the race. Riders who are dropped are encouraged to jump back into the pack. However, you will be out of contention and may not sprint for the finish. Promoter reserves the right to adjust start times, race distance, and race categories to optimize the event.

Weather

Races will be held rain or shine but not heavy rains or thunderstorm. Use our Facebook and twitter for race day announcements.

Single Entry \$16

Series Pass \$125

All riders must present a valid and current USA Cycling license in order to compete. Onsite \$10 one-day licenses available only for Cat 5 men and women. James Whittaker Financial Practice offers a complimentary first race to any women who's racing her first Revolution Racing Event! Don't forget your USAC 1 day licenses. No Refunds.

Prizes

Chamois Butt'r Go Stick is sponsoring the series with a selection of **custom leader jerseys** that may be worn by each week's winners. After each night of races, the winners will take home a Leader Jersey and a Chamois Butt'r Go Stick. The jersey will move to the leader of the series as the weeks progress. **The overall winner at the end will keep their jersey.**

Ladies Night

On June 28th & August 2nd we will add a Beginners only Cat 4/5 Women's race at 6pm. All races will start 10 minutes later than normal.

Location & Course

Course is located just north of College Blvd. at S Roundtree St and S Valley Rd. Course is flat with wide roads and lights! Park North of the course on S. Valley Rd.
