**Saturday: The return of Miami Cyclocross!**

Road and mountain bikers unite in a unique, fun cycling discipline. A special bike isn't required, a mountain bike will work fine to start off with, and, no, it's not necessary to shave your legs. Course Plenty of music, fun, refreshments and racing. Lots of cowbell. Free waffles. Special spectator pavilion. A great time for an unusual but traditional bicycle discipline.

**Sunday: Sprockett and Tubbs Revenge! 60 and 100k options exploring** rarely ridden canals, road, dirt paths and more!

Proceeds to benefit the South Florida MS Society Call John Voss 305-491-7159 or email jvoss@jvossman.com for info
