Map of road race – 23 mile loop

Directions: Razorback road past the baseball stadium. Merge onto AR-265 South for 2 miles. Turn right onto 265 S/Hogeye Rd. for 9.6 miles. Parking will be clearly marked (at an abandoned church)

Course Details:

This course is the same as last year with a different start. From the Hogeye Church neutral roll out to the gas

station. This starts the counter-clockwise lap traveling on WC28 (Washington County Road) for 4 miles. Very fast downhill left-hand turn onto WC21 for 7.7 miles. This road includes a .5 mile climb. As pavement comes to an end on WC21 riders will take another left-hand turn onto WC215 for 2 miles. This includes the 1.2 mile long “Hell’s Kitchen” climb. Riders will then take a left-hand turn onto HWY 265 towards Hogeys and back onto WC28 for a few miles toward the finish (at the New Sulphur family church- same finish as last year). Riders can then turn around and ride back to the parking lot (about 2-3 miles from finish). Please be cautious of traffic. We will have police on site but the roads are open for traffic.

Team Time Trial details:

Starting from the church/parking lot the teams will go down highway 265 and head south on the course to highway 217 (Strickler Rd). The course is roughly 7 miles one way finishing on Strickler Rd, there will be a gravel lot the teams can wait at on Strickler Rd for their riders to finish. Therefore it is advised that team cars drop off their riders at the abandoned church for the start and drive down to the finish line so riders do not have to ride back on the highway.
