No other races or activities at the event are sanctioned by USA Cycling.

Notes

- **TTT:** Preregister with USA Cycling. Fees will be \$20 per team and will follow all USAC regulations, with the exception of the women's TTT. The women will be required to have at three riders, and will score the top two finishers in the team. Course will be one lap and will commence at 1400. Each team will start in intervals on one minute, refereed by the USAC race official. The following is the USAC regulation on TTT:

6G5. TTT Team Size In conference races, teams for team time trials in the A category consist of at least three and up to four riders. The time of the team is taken when the front wheel of the third rider crosses the finish line. Team sizes for team time trials in categories B-D consist of at least two and up to four riders, and the time is taken on the front wheel of the second rider.

6G6. TTT Categories Subject to additional conference restrictions, riders from various road categories may form a single TTT team, but the team may not enter a category any lower than the highest category rider on that team.

- "Collegiate fields are open only to full-time collegiate students with valid USAC Collegiate licenses and full-time high school students, 15 years or older, with valid USAC Junior licenses. Juniors will only be allowed to participate in events for which they are qualified based on USAC Rule 6D1. Jerseys and bibs for all such riders must feature school names and/or logo, or be generic blank kits; non-scholastic club and trade team kits are not permitted. In addition, new non-collegiate women racers with 1-day or first time Category 4 licenses may enter Collegiate Women's C or D events. USA Cycling licenses will be available for purchase on-site. Consult the ACCC website at <http://www.acccycling.org> for more information on categories, eligibility, licensing, and other general questions"
