No prizes? What's up with that?

Endurance Promotions and Fulton Racing have teamed up to use Karma Cross as a fundraiser for the Minnesota Cycling Federation's beginner bike loaner program. The program will provide free use of CX bikes to junior riders for their first 3 races, and rent them bikes for a low fee thereafter. The program will allow riders to try out the sport without having to commit to a bike purchase beforehand. All proceeds from the race will be donated to the MCF (a 501c3 non-profit) for the program, so we're not putting anything into prizes. Juniors still get medals, though. We're not completely heartless.

Registration info:

Pre-registered riders \$30, day of registration \$35. Junior fields are \$15. \$5 for additional races. The kids 10 and under race is free, just sign a waiver. One-day licenses for those without a USA Cycling annual license are \$10. If you are racing on a one-day, you will race as either a Category 5, a Junior, or in your Masters age bracket. We strongly recommend the Category 4/5 race for beginners. Online pre-registration available at usacycling.org. On-site registration will be held at the Hansen Park warming house. Registration opens at 8:30 and closes 15 minutes prior to your race. Chip timing is provided by Endurance Promotions.

Race held under USA Cycling permit. Email endurancepromotions@gmail.com with questions.
