Format

After warm-up, each event will begin with flying 200s. However, only one flying 200 time is needed for the year, and will be used for seeding purposes for the entire season. If a rider has made significant improvements in-season, then we will consider an updated 200 time from a LAVRA Time Trial or Sprint Clinic held at VSC.

The top 8 riders by 200m time will move to the 'A' tournament, a traditional single-elimination bracket. Losers bracket will ensure everyone gets at least 3 match sprints.

The remaining riders will be placed in groups of 6 based on 200 time. These riders will participate in 3 round-robin style match sprints (3-up) within their group, ensuring the most competitive match sprints.
